### § 1032.7 Pool plant.

*Pool plant* means a plant, unit of plants, or system of plants as specified in paragraphs (a) through (f) of this section, but excluding a plant specified in paragraph (h) of this section. The pooling standards described in paragraphs (c), (d), and (f) of this section are subject to modification pursuant to paragraph (g) of this section:

(a) A distributing plant, other than a plant qualified as a pool plant pursuant to paragraph (b) of this section or \_\_\_\_\_.7(b) of any other Federal milk order, from which during the month 25 percent or more of the total quantity of fluid milk products physically received at the plant (excluding concentrated milk received from another plant by agreement for other than Class I use) are disposed of as route disposition or are transferred in the form of packaged fluid milk products to other distributing plants. At least 25 percent of such route disposition and transfers must be to outlets in the marketing area.

(b) Any distributing plant located in the marketing area which during the month processed at least 25 percent of the total quantity of fluid milk products physically received at the plant (excluding concentrated milk received from another plant by agreement for other than Class I use) into ultra-pasteurized or aseptically-processed fluid milk products.

(c) A supply plant from which the quantity of bulk fluid milk products transferred or diverted to plants described in paragraph (a) or (b) of this section during each of the months of September through November and January is 35 percent or more of the total Grade A milk received at the plant from dairy farmers (except dairy farmers described in § 1032.12(b)) and handlers described in § 1000.9(c), including milk diverted by the plant operator, and 25 percent for all other months, subject to the following conditions:

(1) A supply plant that has qualified as a pool plant during each of the immediately preceding months of August through April shall continue to so qualify in each of the following months
